

# BC WOMEN'S HOSPITAL RESEARCH ROUNDS

DATE: MAY 18, 2018  
08:00-09:00 AM | D308 SHY BLDG

**The FACTS Study: Feasibility and ACceptability of a mobile intervention to Support post-abortion care in British Columbia**

## Speaker: Dr. Roopan Gill

### Goals/Learning Objectives

1. Understand the application of mobile health (mHealth) for post-abortion care specifically, women's health generally
2. Describe human-centered design as a methodology for family planning innovations
3. Appreciate the challenges and limitations of mHealth interventions for abortion care

“The BC Women’s Research Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada”
