

## Associate Head, Southern Medical Program - Internal Posting

The Department of Obstetrics and Gynaecology, University of British Columbia, is seeking applications for the position of Associate Head based in the Southern Medical Program (SMP).

The Associate Head for the Southern Medical Program (SMP) is an administrative position within the Department of Obstetrics & Gynaecology, reporting directly to the Department Head. The Associate Head will work with the Department Head to promote and facilitate the Department mandate within the Southern Medical Program (SMP).

The main duties of this position include:

- Supports the Head in establishing strategic direction for the department and carrying out the department’s mission within the SMP
- Assists the Head in raising the level of recognition of the department’s strategic goals and accomplishments; promotes a culture that systematically values patient care, research and teaching within the SMP
- Assists the Head in achieving the Mission, Vision and Core Values of the department
- Develops and maintains an open and collaborative working relationship with all members of the UBC Department of Obstetrics & Gynaecology based in SMP
- Represents and promotes the image of the UBC Department of Obstetrics & Gynaecology and SMP nationally and internationally
- Facilitates undergraduate and postgraduate learning programs in SMP in collaboration with the departmental educational program directors and the Head

Closing date for applications: **30 June 2015**

The University of British Columbia (UBC) is a global centre for research and teaching. Surrounded by the beauty of the Canadian West, UBC embraces bold new ways of thinking that attract exceptional students and faculty. It is a place where innovative ideas are nurtured in a globally connected research community, providing unparalleled opportunities to learn, discover and contribute.

Faculty members, students, staff and alumni in the UBC Faculty of Medicine are actively engaged in innovative, leading edge research, education and community service on university and hospital campuses across the Province. Together we aim to create knowledge and advance learning that will make a vital contribution to the health of individuals and communities, locally, nationally, and internationally.

*UBC hires on the basis of merit and is committed to employment equity. All qualified persons are encouraged to apply. UBC is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. However, Canadian and permanent residents of Canada will be given priority.*
