Impacts of the COVID-19 pandemic on trainees engaged in women’s health research in British Columbia

LEARNING OBJECTIVES

1. To learn about how COVID-19 has yielded significant disruptions to trainees’ academic, research, professional, and personal lives

2. To explore trainee-led recommendations for institutional and supervisor supports

3. To discuss what we can do as stakeholders in trainee success, to ameliorate impacts in the short and longer term

The BC Women’s Research Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada
