Academic Perinatology Rounds
Wednesday, October 28, 2020
12:00 – 1:00 pm

Zoom online meeting: https://ubc.zoom.us/
ID: 9446606800
Password: 006800

**Topic 1:** Bias in comparisons of mortality among very preterm births

**Speaker:** Amelie Boutin, PhD
CIHR and Killam Postdoctoral Fellow
Dept Obstetrics and Gynecology, University of British Columbia
Assistant Professor, Reproduction, Mother and Youth Health and Population Health and Optimal Health Practices Units
CHU de Quebec-Universite Laval Research Center, Quebec City

**Topic 2:** Maternal mortality in the United States: Recent trends, current status and future considerations

**Speaker:** KS Joseph, MD, PhD
Professor, Dept Obstetrics and Gynecology, University of British Columbia
School of Population and Public Health, University of British Columbia

**Learning objectives:**
To provide participants with
1. Information on recent developments in the field
2. Multidisciplinary perspectives
3. Critical analysis of important topics from a substantive and methodologic perspective (through presentation and discussion of Journal articles)
4. A forum for discussing research ideas and research in progress

For general questions, please contact Ariadna Fernandez (afernandez@phsa.ca)
For suggestions regarding topics for future rounds, please contact one of the co-leaders Patricia Janssen (Patti.Janssen@ubc.ca) or K.S. Joseph (kjoseph@cw.bc.ca)

**The Academic Perinatology Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada**
