THE UNIVERSITY OF BRITISH COLUMBIA

## Faculty of Medicine

CAREER OPPORTUNITY

### Gynaecologist (Chronic Pelvic Pain and Minimally Invasive Surgery Specialist)

The Department of Obstetrics and Gynaecology, University of British Columbia, is seeking applications for a clinical faculty position in the Division of Gynaecologic Specialties, based at BC Women's Hospital and Vancouver Coastal Health (VGH and UBC sites). The successful applicant will work as part of a clinical academic team providing chronic pelvic pain management and advanced endometriosis surgical expertise for the Province of British Columbia.

This position will work as part of the physician group at the BC Women's Centre for Pelvic Pain and Endometriosis. This position will be full time 1FTE. Duties include: assessing patients in clinic, doing advanced ultrasounds, collaborating with the interdisciplinary team, performing laparoscopic surgery for advanced endometriosis and supervising residents and post-graduate trainees. There is an expectation this position will participate in the DOD call commitments at VGH.

The successful candidate will have post-graduate training in minimally invasive surgery, assessment and management of chronic pelvic pain and endometriosis, and specialized ultrasound skill in evaluation of deep endometriosis. Evidence of research activity is desired. Preference will be given to a junior Gynaecologist (in the first 5 years of practice) who have a diversity of training experience and have demonstrated productivity.

The successful candidate will be reporting to the Head of Gynaecology at BC Women's Hospital, the Head of Gynecology at Vancouver Coastal Health, the Head of the Division of Gynaecologic Specialties, and the Head of the Department of Obstetrics and Gynaecology at UBC.

As a clinical faculty member, the successful candidate will be expected to involve learners in clinical activity, and participate in program development and student evaluation as well as research and knowledge dissemination in the UBC Department of Obstetrics and Gynecology.

Applicants must be eligible for registration with the College of Physicians and Surgeons of British Columbia, be a Fellow of the Royal College of Physicians and Surgeons of Canada or equivalent and be eligible to hold a clinical faculty appointment at UBC.

This position is funded by fee for service through the medical services plan of British Columbia.

The anticipated start date is Fall 2023.

**Closing date: June 15 2023**

The University of British Columbia is a global centre for research and teaching, consistently ranked among the top 20 public universities in the world and 3<sup>rd</sup> largest university in Canada with an economic impact of 12.5 billion to the provincial economy. Since 1915, UBC's West Coast spirit has embraced innovation and challenged the status quo. Its entrepreneurial perspective encourages students, staff and faculty to challenge convention, lead discovery and explore new ways of learning. At UBC, bold thinking is given a place to develop into ideas that can change the world. As one of the world's leading universities, The University of British Columbia creates an exceptional learning environment that fosters global citizenship, advances a civil and sustainable society, and supports outstanding research to serve the people of British Columbia, Canada and the world.

*Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person. All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.*
