

W BC Women's Research Rounds

May 17, 2024

Date: May 17th, 2024

Time: 8:00 - 9:00 am PST

Location: Virtual Rounds

Presenter: Dr. Souvik Mitra

Title: Doing the right things right: Can evidence-based medicine, parental preferences and quality improvement initiatives ever co-exist in the NICU?

Learning Objectives:

Upon completion of this activity, participants will be able to:

1. Describe the three basic elements of evidence-based medicine
2. Explain key differences between neonatal quality improvement initiatives and practice of evidence-based medicine
3. State the key components of the GRADE evidence-to-decision framework for development of clinical practice guidelines

When: Friday May 17th, 2024, from 8:00 to 9:00 a.m.

Location: Zoom
