Cortical and midline developmental malformations of the fetal brain

Dr. Lee Treanor, Radiology Resident

**GOALS/LEARNING OBJECTIVES**

- To understand the main steps involved in the normal embryological development of the fetal brain
- To identify and classify cortical developmental malformations
- To identify and classify supratentorial midline developmental malformations

** The BCW OB Ultrasound Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada **
